Good Afternoon, Thank You for the draft copy of the Vo-Toys factsheet. I was able to discuss this with the Mayor today and he advised me that he was forwarding it to the town attorney and Mr. Steve Kehayes (our town consultant) before he issues any comments. I thank you for your patience in this matter. Director Stahl

Hi Harold,

I hope all is well. Please find attached the draft Vo-Toys factsheet for your input. Fred mentioned that you will be discussing the appropriate local OEM contact with the mayor, so thank you. Looking forward to receiving your input soon.
